

Summer 2014

Dear Clipper Supporters,

The S.S. Milwaukee Clipper, An Illustrated History, by Dr. Steve Demos and Marylouise Plant is now available for purchase at the retail price of \$50.00. An order form is included for your convenience.

The S.S. Milwaukee Clipper, An Illustrated History, is a Limited Edition Illustrated nautical history book which covers over 100 years of *Clipper* history and is documented with several hundred illustrations. *Clipper* supporters have never seen many of the items revealed in this book.

This nearly 200 page full color documentary of the *Clipper's* history from 1904 to the present has never been done. This is a one of a kind book which is bound in a dark blue leather like cover with stamped gold foil letters and comes with a colorful dust jacket which reveals the *Clipper* today and yesterday. It is a limited edition so I encourage you to purchase yours early before the supply runs out.

All the proceeds from the sale of the book are being donated by the authors to the Milwaukee Clipper Preservation, Inc., (MCPI).

Sincerely,

Marylouise
